Dear Graham,

On behalf of Royal National Lifeboat Institution Walmer Lifeboat, I am offering our appreciation for your presentation of The Festival of the Sea with the White Cliffs Symphonic Winds at Saint Mary's Church on October 11th 2025.

I am delighted to say on behalf of myself and my wife, what a wonderful experience it was and also to confirm that the funds raised for Walmer Lifeboat of the day amounted to in excess of £1,400.00. I can confirm that the sum will be used to help train and equip our crews to continue to Save Lives at Sea.

I thank you and your and your wonderful musicians for your presentation on the night and for your support for Walmer Lifeboat.

I remain with kind regards

Yours sincerely

Roger Blown
Chairman, Walmer Lifeboat.
